# ASERT (Autism Services, Education, Research, and Training)

## MISSION

Improving regional access to quality services and interventions, providing information and support to families, training professionals in best practices and facilitating collaboration among providers of services throughout the Commonwealth of Pennsylvania

## ASERT CENTERS – WHAT ARE THEY?

A partnership of medical centers, centers of Autism research and services, universities and other providers of services involved in the treatment and care of adults and children with an Autism Spectrum Disorder. ASERT Centers are located in eastern, central, and western Pennsylvania.

## CENTRAL REGION ASERT PARTNERS

Penn State Hershey Medical Center  
Philhaven – Center for Autism and  
Developmental Disabilities  
The Vista Foundation

## WHAT IS THE RESOURCE CENTER?

- An initiative of the ASERT Central Region.
- A call center serving individuals with Autism Spectrum Disorders (ASD), parents, teachers, doctors, and professionals.
- A resource of general Autism information
- A number to call for information about ASD services in central Pennsylvania counties

## HELPING YOU WITH A PIECE OF THE PUZZLE

With an extensive database of resources, we can provide you with information answering your questions and putting you in touch with service providers in your area. One of our knowledgeable professionals will provide you with the resources you requested within 48 hours of your call.
