

2011 PCCYFS Annual Spring Conference

Call for Presentations

Making a Difference for 35 Years... One Child at a Time

The **Pennsylvania Council of Children, Youth and Family Services (PCCYFS)** is pleased to announce the **Call for Presentations** for our **Annual Spring Conference**, scheduled for **April 13 and 14, 2011**, at the **Sheraton Harrisburg-Hershey Hotel**. Each year the Conference brings together hundreds of private providers and others for quality, high-caliber presentations on timely topics and to network with colleagues from across the Commonwealth.

This year's conference theme, *Making a Difference for 35 Years... One Child at a Time* encourages broad interpretation and application for innovative presentations – on current trends, hot issues, new, developing or changing practices – and the many ways of making a difference for our children and families as we celebrate PCCYFS' 35th Anniversary. The Conference Planning Workgroup is seeking proposals that reflect advanced administrative and leadership techniques, best practice philosophies, and effective training and service delivery methods, particularly presentations geared toward professionals with years of experience.

The audience includes:

- Administrative (Executive Directors/CEOs, HR, Marketing, Development & Fiscal staff, etc.)
- Clinical Staff (Clinical Directors, Therapists, Clinicians, etc.)
- Direct Practice Staff (Program Directors, Trainers, Supervisors, Case Managers, etc.)
