

2012 PCCYFS Annual Spring Conference

Call for Presentations

Lighting the Way to a Brighter Future

The **Pennsylvania Council of Children, Youth and Family Services (PCCYFS)** is pleased to announce the **Call for Presentations** for our **Annual Spring Conference**, scheduled for **April 18 and 19, 2012**, at the **Sheraton Harrisburg-Hershey Hotel**. Each year the Conference brings together hundreds of private providers and others for quality, high-caliber presentations on timely topics and to network with colleagues from across the Commonwealth.

This year's conference theme, *Lighting the Way to a Brighter Future*, encourages broad interpretation and application for innovative presentations – on current trends, hot issues, new, developing or changing practices – and the many ways of making a difference for our children and families. The Conference Planning Workgroup is seeking proposals that reflect advanced administrative and leadership techniques, best practice philosophies, and effective training and service delivery methods, particularly presentations geared toward professionals with years of experience.

The audience includes:

- Administrative (Executive Directors/CEOs, HR, Marketing, Development & Fiscal staff, etc.)
- Clinical Staff (Clinical Directors, Therapists, Clinicians, etc.)
- Direct Practice Staff (Program Directors, Trainers, Supervisors, Case Managers, etc.)

A few of the possible topic areas suggested after past events are attached. We are open to your thoughts and ideas, and encourage your creativity in submitting presentation proposals.

To submit a presentation proposal:
