Opening Remarks

KERRY A. BENNINGHOFF
REPRESENTATIVE FOR PA HOUSE DISTRICT 171 – MAJORITY LEADER

Kerry A. Benninghoff believes government should improve the lives of those it serves, recognizing that every dollar government spends was taken from someone who worked hard to earn it.

Representing the 171st legislative district, Kerry is passionate about cancer research and other healthcare initiatives, ensuring an educational system that gives our children a clear path to good-paying careers, being a voice for victims of crime, as well as standing up for seniors while building a better future for the Commonwealth of Pennsylvania.

Kerry believes taxes should be low and works hard to ensure your dollars are spent wisely. He is a watchdog for government waste, a longtime advocate for greater transparency and supporter of government reform.

Kerry was elected by his colleagues in June 2020 to serve as Majority Leader. Prior to serving as Majority Leader, Kerry served on the Leadership team as Majority Whip and for two terms as the House Majority Policy Committee chairman. Kerry also previously served as chairman of the House Majority Finance and State Government committees.
