

Philadelphia NGA

4/20/09

1. New ideas:
  - a. 3 month hearings
  - b. Implementing Family Finding
  - c. FGDM
2. Quick Wins
  - a. Using CWEL students in FGDM implementation
  - b. FGDM and Family Finding
  - c. Increase family and staff engagement
  - d. Court:
    - i. Internal review for agency needs before court (aging out youth)
    - ii. Review cases in care beyond 12 months each month
  - e. Meet with the NGA team each month
3. Sustainability Plan
  - a. Time
  - b. Structured case reviews
  - c. Assessing court time vs. amount of time spent engaging families and staff
  - d. Systemic approach to nuisance court between JPO and DHS: implement a cross systems meeting each week.
  - e. Engage the court on NGA project and objectives
  - f. Increase communication for case reviews. Look at court process, the substance of the review and the plans implemented as a result of the process.
4. Accomplish in the next 3 months
  - a. Hold weekly cross systems meeting to review court process
  - b. Structure the content of the review hearings for every 4 months
  - c. Continue to move implementation of 3 Regional Offices. Goal to have in place within 9-12months. At this point, each office will be able to hold 3 month hearings.
  - d. Meet with Judge D re: NGA plan to obtain buy in from judges. Use NGA power point to assist in presenting the information.
  - e. Meet with the team each month.
