

Draft language to amend Act 30 of 1991

Section 709.2. Review of County Submissions.

(e) A county may exercise the option to purchase services as provided in section 704.1 from private for-profit or not-for-profit service providers. If services are purchased, rates shall be based on reasonable cost projections. Cost projections shall consider the actual costs of providing the services as purchased with rate increases reflecting standard economic indicators and costs related to complying with regulatory, statutory, mandatory and contract requirements.
